

**Forum for
Collaborative HIV Research**

2014 Washington Area Interns Networking Day

**Monday, August 4, 2014
2:00 P.M. – 4:00 P.M.**

**UCDC Washington Center
1608 Rhode Island Avenue NW
Washington, D.C. 20036**

Join other D.C. summer interns for a panel discussion in which leading experts in HIV/AIDS and Viral Hepatitis provide career advice and share their personal experiences navigating the field of Public Health.

Panelists:

- **Jeff Crowley**, MPH, Distinguished Scholar and Program Director of the National HIV/AIDS Initiative at Georgetown University's O'Neill Institute for National and Global Health Law
- **Corinna Dan**, RN, MPH, Viral Hepatitis Policy Advisor in the Office of the Assistant Secretary for Health for the Dept. of Health and Human Services
- **Christine Lubinski**, Vice President for Global Health, Infectious Diseases Society of America
- **Veronica Miller**, PhD, Executive Director of the Forum for Collaborative HIV Research, University of California, Berkeley, School of Public Health
- **Ivy Turnbull**, DLP, Deputy Director of the AIDS Alliance
- **Andrea Weddle**, MSW, Executive Director of the HIV Medicine Association
