

**Forum for
Collaborative HIV Research**

OVERCOMING HEALTH DISPARITIES IN THE BAY AREA: FOCUS ON HIV & HCV

February 3, 2015

CFAR- UCSF/Gladstone Institute of Virology and
Immunology

Forum for Collaborative HIV Research

UC Berkeley School of Public Health

*Facilitating collaborative research in drug
development and health policy*

THANKS TO:

- California HIV/AIDS Research Program
 - Conference support

THANKS TO:

Organizing Committee Members

Larkin Callaghan, *UCSF-Gladstone CFAR*

E. Maxwell Davis, *CSU-East Bay*

Jonathan Fuchs, *UCSF*

Anthony Gutierrez, *Black AIDS Institute*

Ernest Hopkins, *SF AIDS Foundation*

Malcolm John, *UCSF 360*

Marguerita Lightfoot, *UCSF CAPS*

Sandi McCoy, *UC Berkeley Public Health*

Veronica Miller, *HIV Forum*

Nicholas Moss, *Alameda County Public Health Dept.*

Carmen Portillo, *UCSF Nursing*

Andrew Reynolds, *Project Inform*

Paul Volberding, *UCSF-Gladstone CFAR*

Special Advisor: George Lemp, California HIV/AIDS Research Program

Facilitating collaborative research in drug
development and health policy

THANKS TO

Scientific Planning Committee

Kirsten Balano, PharmD, *UCSF School of Pharmacy*

Victoria Cargill, MD, MSCE, *NIH Office of AIDS Research*

Orlando Chavez, *Berkeley Builds Capacity*

Carol Dawson Rose, PhD, RN, FAAN, *UCSF School of Nursing*

Tri Do, MD, MPH, FACP, *Roche Molecular Diagnostics*

Shari Dworkin, PhD, MS, *UCSF School of Nursing*

Christopher Gordon, PhD, *National Institute of Mental Health*

Mike Gorman, PhD, MPH, MSW, *San Jose State University*

Gabrielle Heilek, PhD, *Roche Molecular Diagnostics*

Robert Luo, MD, MPH, *Roche Molecular Diagnostics*

Neena Murgai, PhD, MPH, *Alameda County Public Health Department*

Elise Riley, PhD, MPH, *USCF School of Medicine*

Catherine Rongey, MD, MSHS, *San Francisco VAMedical Center*

Susan Scheer, PhD, MPH, *San Francisco Department of Public Health*

Michael Silverberg, PhD, MPH, *Kaiser Permanente Division of Research*

Ifeoma Udoh, PhD, *Pangaea Global AIDS Foundation*

Sheri Weiser, MD, MA, MPH, *UCSF School of Medicine*

*Facilitating collaborative research in drug
development and health policy*

THANKS TO:

- Collaborating organizations
- Larkin Callaghan
- Cesar Cadabes
- Rob Besaw
- Ben Hauschild
- Informed Horizons, LLC
 - Registration support

*Facilitating collaborative research in drug
development and health policy*

A BIT OF HISTORY

- Forum/CFAR Conference on Overcoming Health Disparities May 2012
- Working groups and in person meetings throughout 2013 and 2014
- Reconvene February 2015 to continue the dialogue

*Facilitating collaborative research in drug
development and health policy*

GOALS FOR TODAY

- Generate novel ways to address disparities in HIV and HCV
- Strengthen collaboration across the Bay Area
- Deepen collaboration between community and academic centers at the local level

Facilitating collaborative research in drug development and health policy

*Facilitating collaborative research in drug
development and health policy*

AGENDA

- Listening to the Community
- Breaking Down Barriers
- Intersections & Syndemics
- Prevention and Barriers to Testing
- Role of Community Voices in Changing Research Landscape
- Treatment Linkages and Outcomes

*Facilitating collaborative research in drug
development and health policy*

AGENDA

- Lots of discussion and networking
- Poster viewing
