Public Health

 **EASL**  
European Association  
for the Study of the Liver

**Forum for  
Collaborative HIV Research**

A large, light grey circular graphic in the background, featuring a white geometric pattern of overlapping squares and lines, similar to the Forum for Collaborative HIV Research logo.

# **Session VI: New Working Group Prioritization**

# Proposed WGs

---

*Facilitating collaborative research in drug  
development and health policy*

1. Efficiency in Trial Recruitment
2. Framework for Placebo Arm Cohort
3. Adaptive Trial Design and New Analytic Approaches
4. Biomarker-Surrogate Endpoints
5. DILI/NASH
6. HCC and other Disease States
7. Other?
