RESEARCH

Welcome and Introductory Remarks

www.forumresearch.org

Welcoming Remarks

Veronica Miller

William (Bill) Symonds

Forum's Operating Principle

“Once new drug candidates and therapeutic strategies are identified, their efficient, safe development is in the best interest of all stakeholders, most of all, the patients”

Win-Win

- Accelerate drug development not by lowering standards, but by increasing efficiency through collaboration

Operating Principles

(see handouts)

- Equal voice
- Co-ownership of process
- Open discussion and deliberation
- What's said at the Forum stays at the Forum
- Industry participation
 - Not covered by financial support
 - Plenary assemblies: 2 max/company
 - Industry may participate in Working Groups
 - Scientists and clinical researchers
 - Not for marketing and commercial branches
