

## Forum for Collaborative HIV Research

### Overview of Cardiovascular Disease Risk Assessment in Persons Living with HIV

Doubletree Hotel, Washington DC  
1515 Rhode Island Avenue, NW; Washington DC 20005

**June 23, 2010**  
**Washington DC**  
Meeting Agenda

#### **Session I: Public Meeting on Cardiovascular Risk, HIV Infection and Drug Therapy**

Moderator: Veronica Miller, Jur Strobos

10:00-10:15 a.m.	Introduction	Veronica Miller
10:15-10:20 a.m.	Goals and Objective	Filip Josephson (EMA)
10:20-10:25 a.m.	Community Perspective	Bob Munk
10:25-10:30 a.m.	Overview of HAART Oversight Cmte	Neil Shortman (HAART Oversight Cmte)
10:30-10:40 a.m.	Difficulties and Challenges in Assessment of Cardiovascular Risk	Kendall Marcus (FDA)

#### **Session II: Summary of Roundtables on Statistical Methodology, Pathophysiology and Clinical Implication**

Moderator: Veronica Miller

10:40-10:45 a.m.	Opening Remarks	Veronica Miller
10:45-11:00 a.m.	Statistical Methodology	Dominique Costagliola
11:00-11:15 a.m.	Pathophysiology	Jur Strobos
11:15-11:30 a.m.	Clinical Implication	Steven Grinspoon
11:30-11:45 a.m.	Coffee Break	

#### **Session III: Pathophysiology**

Moderator: Jur Strobos

11:45-12:45 p.m.	Moderated Discussion Impact of traditional risk factors, aging, inflammation, chronic infection, immune damage and pharmaceutical intervention on cardiovascular risk	<u>Panelists:</u> Nisha Chandra-Strobos Jeanne Triant Roger Bedimo Morrie Schambelan Christine Wanke
12:45-1:45 p.m.	Lunch (on own)	

#### **Session IV: Understanding Observational Database Analyses: Tricks of the Trade**

Moderator: Ralph D'Agostino

1:45-2:45 p.m.	Moderated Discussion How do we identify the contribution of various risk factors to risk of cardiovascular disease in observational database analysis (e.g., causal inference)	<u>Panelists:</u> George Rochester Dominique Costagliola Stan Young Chuck Cooper Wendy Post
----------------	---	--

**Session V: Clinical Implications**

Moderator: Wendy Post

2:45-3:30 p.m. Pitfalls and Pearls in the Management of Cardiovascular Risk in Persons Living with HIV

Panelists:  
Jeff Taylor  
Kim Struble  
Christine Wanke  
Cliff Lane

**Section VI – Wrap-up**

Moderator: Veronica Miller

3:30-3:45 Summary and adjournment
