HCV DRAG:

- **1/ How important do you think HCV resistance will be in the future of HCV therapy ?**

HCV DRAG:

- **2/ Is the knowledge sufficient to understand and manage HCV resistance when new drugs are available:**
 - Among hepatologists ?
 - Among ID physicians ?
 - In the community ?

HCV DRAG:

- **3/ How should resistance data be reported to be accessible to all future treating physicians:**
 - ◉ **In pivotal trials ?**
 - ◉ **In other studies ?**

HCV DRAG:

- **4/ What assays should be available to help physicians with resistance ?**

HCV DRAG:

- **5/ What tools could/should HCV DRAG develop to assist the field with HCV resistance management in the future ?**

HCV DRAG:

- **6/ What is your feeling on persistence of HCV sequences in extra-hepatic tissues of SVRs ? On the late relapse cases reported in PROVE 2 ?**

HCV DRAG:

- **7/ How shall we retreat patients who have failed ?**
